

# Technical sheet float

1 technician required

## Possible options:

1 artist aerial hoop or DJ

1 artist huge bubbles

*This document is attached to the purchase order and transfer agreement.*

This float is decorated according to the selected parade theme. It is equipped with a sound system (two 700-watt speakers) and lighting for nighttime parades, a bubble basin, and a self-contained battery.

This non-motorized float is operated by a technician.

## Technical Requirements and Special Arrangements

- Float dimensions: 3.80 m long, 1.9 m wide, and 3 m high
- Trailer dimensions: 4 m × 1.9 m
- During roaming performances, the route must have no stairs, no high curbs, be as flat as possible (maximum slope of 10°), and match the float's dimensions. Minimum overhead clearance (electrical cables, decorations, trees): 3 meters.
- For static demonstrations, please provide a flat area of 7 m × 7 m.
- Parking: one space for our minibus and one space for the trailer (4 m long).
- Storage: ideally a secure location (near the dressing rooms) with minimum dimensions of 5 m depth, 2.5 m width, 3.5 m height, and a door opening matching these dimensions (at minimum).
- Otherwise, on-site security/guarding during the artists' absence is required.
- In case of bad weather, a covered/sheltered area must be provided.
- Standard performance duration: up to 3 sets of 45 minutes per day, with at least 1 hour break between each set. However, we can adapt the duration and number of sets according to your event.
- Dressing room requirements: a lockable, heated room with tables, a large mirror, and one chair per artist, plus running water and catering (drinks, snacks). The dressing room must be close to the performance area and the float storage, preferably on the ground floor with easy access for both our performance and vehicle.

The CIRKOMCHA association was founded in June 2005 with the aim of promoting and spreading the circus arts. Its primary purpose and main activity for several years was operating an amateur circus school in Cazères-sur-Garonne (31220).

In 2012, faced with a growing demand for performances and entertainment, Cirkomcha also became a show production company ("entrepreneur du spectacle"). Since then, both activities have continued to expand. Today, CIRKOMCHA is a company made up of numerous artists with diverse talents and over twenty years of international experience.

The company offers four full-length shows, stilt-walking parades, circus acts, and various circus-themed performances.

Beyond these artistic activities, CIRKOMCHA represents a remarkable human adventure – the result of a dedicated team of circus arts enthusiasts who share their values through three inseparable goals: artistic, educational, and physical development, reaching a broad and diverse audience.

With its creative and artistic approach combining emotion, poetry, and humor, CIRKOMCHA celebrates over 20 years of existence, growth, and recognition, establishing itself as a key player on the French artistic scene (notably the Zéniths of France Tour in 2015) and internationally (Festival al Aire Puro – Colombia, 2017).
